WELCOME TO THE SANDSTONE YOGA TEACHER TRAINING ACADEMY

Thank you for your interest in joining our nationally renowned 200-hour Teacher Training course. We are thrilled that you are thinking of joining Sandstone for this training. This course is fully accredited with Yoga Alliance Professionals (for more details see later) who set very high standards in Yoga.

PRACTICE & TRAINING IN THE UK.

We have built a large reputation for quality teaching and support & we have developed this reputation further through our 200-hour course. Many of our other intakes filled & we expect our Academy to be popular in 2020 too; we have built our Academy on firm foundations.

We have put together a well-known and well-respected team of trainers, backed by a professional support team. We hope the following will provide a starting point for your journey into teacher training with us.

Rationale - Our Thinking

We love all things Yoga & want to train students in a truthful an authentic way that prepares them thoroughly for their future Yoga journey. We have built up a reputation for quality and caring teaching. Our own students have shown a desire for this course as they have developed their love of Yoga through our classes, workshops, retreats and courses, such as our Yoga Foundations course. It is natural that the next stage in their Yoga journey is to train to share a practice they love to inspire others to also share Yoga.

Additionally, as word of our Academy has spread, and we have grown a national reputation we are finding students are joining us from further afield. Some are joining us for their second teacher training course after being unfulfilled and unprepared for teaching Yoga after their first one - elsewhere didn't hit the spot!

"First day of Yoga teacher training at Sandstone Yoga. What a wonderful day! Wonderful teacher and great bunch of students". *Jane Hobbs*

We are lucky to have our own dedicated studios which are used only for these practices, with more on the way. We also have built a wonderful team of experts who will share their Yoga experience freely with you. You can also meet some of our current trainees in the Academy at one of our events.

This is a Hatha Yoga teacher training course with some aspects of Ashtanga. You will get a good grounding in all aspects of Yoga and be exposed to other styles too. You will be able to teach at a variety of paces, levels and be able to modify for certain conditions.

Who Will Teach Me?

Michelle Nicklin – Course Director & Senior Yoga Teacher

Michelle Nicklin has practiced yoga for over 30 years and is the founder of Sandstone Yoga. She is a Senior Yoga Teacher with Yoga Alliance Professionals and established the first 200-hour Yoga Teacher Training course in the West Midlands in 2015. Michelle loves working authentically within the yoga business world. Her passion is to develop and mentor yoga studio owners.

“I love working with others to create supportive yoga communities. That’s my dharma and I feel so privileged that I get to follow my path”.

Michelle has a monthly column in OM Yoga magazine and has had more than 2000 babies born from her pregnancy classes. She successfully franchised her studio model in 2017 & the first franchised studio opened in 2018 in Sutton Coldfield, with Aldridge and Bearwood to follow, with more on the way.

Other Teachers Include:

Dawn Wright, SYT

Dawn spent many years as a Yoga student, deepening and exploring her own practice both on and off the mat before undertaking teacher training. Always thirsty for more knowledge she holds 3 full teaching diplomas in different lineages and continues to study with some of the worlds' most respected Yoga teachers.

Her deep and varied experience and training allows Dawn's teaching to be comprehensive and intuitive, with an emphasis on the importance of the link between breath and movement, and safe alignment, within and a nurturing and supportive environment that allows students to progress their own practice.

Dawn is an experienced & highly regarded qualified Senior Yoga Teacher (SYT), tutoring on Teacher training courses & CPD events in the UK, & has in the past assisted and mentored on Claire Missingham's Teacher Training. She runs retreats & workshops around the UK and abroad. Teaching mainly in the Midlands, she also teaches at TriYoga in London.

“I am so excited to be joining the Teaching Faculty at Sandstone Yoga. Teaching and mentoring Trainee Teachers is such an honour and absolutely my favourite thing to do! Michelle and her team have created a warm and supportive space that is ideal for the growth of Yoga-teachers-to-be. I look forward to sharing their journey with them.”

Christopher Randall, RYT

Yoga has been important in Chris' life for the last 8 years although he first went to a class about 15 years ago. He finds yoga so beneficial to his mental emotional and physical well-being on and off the mat. Chris trained in India, mother to yoga, and spent time down in Goa working through his journey of selfdiscovery practicing Vinyasa Flow, Ashtanga & Yin. Chris also enjoys time in the studio - he thinks the variety & diet of class is good. Chris trained in India undertaking his 200 Yoga Teacher Training qualification in Ashtanga/ Vinyasa Flow Fusion & a 30 hour Yin Yoga Certificate. Another year on Chris has developed his yoga skills further training to teach Special Children Special Yoga. Yoga for Chris is about inclusivity & everyone can do Yoga. Chris strongly believes that Yoga is for ALL.

Chris continues to encourage his yogis to just have fun on the mat & give themselves permission to smile. Life is for living & his mantra is all about surrendering to the present and Just Be.

How Is The Course Structured? Where Will I Learn?

Our 2020 course is spread out over 9 months with 3 months to complete the assessment following the final teaching weekend.

There is still plenty of time in between weekends to learn, practice and consolidate. The sessions will be day times from approximately 8.30am - 5.30pm (maximum). In 2020 we will teach from our new Bearwood studio. The whole studio environment remains under our control and is only used for these practices. It is decorated and lit to provide an uplifting and safe environment to honour the practices we are passing on.

N.B. The course will have a minimum of 180 contact hours with 70% of the course taught by a SYT.

What Will I Study?

There are 5 modules on this course:

1. Practice and Training
2. Teaching Methodology
3. Anatomy & Physiology
4. Yoga Philosophy & the History of Yoga
5. Teaching Experience

What Practical Experience Do I Need?

As a minimum requirement you will need to have practiced Yoga for 2 years. You must be able to practice Asanas and be able to hold them. You do not need to practice advanced postures nor know Sanskrit to apply. If you would like to start with our Yoga Foundations course, you can discuss this with our team. Those having completed our Yoga Foundations course will already have the required knowledge to apply to our Teacher Training Academy.

Who are Yoga Alliance Professionals?

We are delighted to be able to offer this course accredited through Yoga Alliance Professionals. This is taken directly from their website:

About Yoga Alliance Professionals

“Yoga Alliance Professionals maintain a register of Teachers, Trainee Teachers, Teacher Trainer Schools and Yoga Studios. We also offer comprehensive support for teachers and schools to help develop their full growth potential. Our primary concern is safeguarding students and teachers within the Yoga world, in a currently unregulated industry. We feel it is crucial for all Yoga teachers to be accredited by Yoga Alliance Professionals because we ensure ALL of our members are properly insured to teach and because we ensure ALL of our members meet the highest of standards to teach Yoga.

We were set up as a response to the needs and wants of Yoga professionals who felt the arbitrary standards set by existing organisations, was unacceptable. Importantly, Yoga Alliance Professionals do not run our own teacher training, so we are fully free to support all of our members in a non-biased basis, which is important to maintaining independent regulation of Yoga in the UK.”
